If you are not available on a date you are scheduled, please make arrangements with somebody on another team to 'swap' dates. We will spend some time during the April *new elder/deacon examinations* meeting to walk through the logistics of serving. Dates when we will be taking The Lord's Supper to our homebound members are **bolded**. Normally 6-7 elders/deacons are needed for approximately 1- 1½ hours (for our Staunton folks, plan about 2 hours). A sign-up sheet for Homebound Communion will be available at the board meetings preceding the next scheduled Lord's Supper date.

*Let Worship Chairperson know of your availability during these special Worship services.
